

Anna Murphy is a consultant respiratory pharmacist at University Hospitals of Leicester NHS Trust and honorary visiting professor at DeMontfort University. The clinical aspect of her post offers assessment, medicines optimisation, monitoring and advice to people with respiratory disease, working both in hospital and across the interface. Anna currently works with several national groups and organisations on issues surrounding prescribing in respiratory disease. Anna has published widely and produced the “7-Steps to Success” education materials. Research interests include medicine adherence in people with respiratory disease and pharmacy practice research.
