-
Thank you again to those contractors, pharmacy teams and pharmacists who have completed our recent poll around services support.

One theme that has emerged is around better understanding and information around MYS and reporting.

I wanted to highlight Community Pharmacy England has prepared a [new factsheet](#) to help pharmacy owners maximise their income from dispensing.

The factsheet includes top tips to help maximise income or reduce losses when:

- Dispensing
- Ordering
- Endorsing prescriptions
- Submitting claims/prescriptions for payment (including end-of-month MYS declaration)
- Reconciling payments against claims submitted
