FAO:ALL LLR Pharmacists and Pharmacy Teams

Thank you to those contractors, pharmacy teams and pharmacists who have completed our recent poll around services support.

We are now working through analysing the results and looking at how we can best support our contractor's needs.

In the meantime, I wanted to highlight the existing information and resources that are available for you to access, to help and support the delivery of the pharmacy contraception service.

We have pulled tother local resources which can be accessed via our website:

About the NHS Pharmacy Contraception Service

[Getting Ready – first look at the PharmOutcomes screen shots](#)

[Pharmacy Registration for Service Provision](#)

[Oral Contraception – Leicestershire Prescribing Advice](#)

There were also 2 x CPE webinars held at the start of the year and they can be accessed below as well as the presentations.

[Pharmacy Contraception Service: Initiating contraception webinar](#) – this webinar was aimed at helping pharmacy teams who are already providing the service to expand their offering to include initiating contraception.
