Subject: FW: Postponement of the Public consultation on the proposal to stop providing NHS prescriptions for gluten-free products.
Date: 30 May 2024 10:14:00

FAO:ALL LLR Contractors, Pharmacists and Pharmacy Teams

Dear colleague,

Postponement of the Public consultation on the proposal to stop providing NHS prescriptions for gluten-free products.

With regards to our recent correspondence outlining our plans to undertake a six-week public consultation on a proposal to stop providing prescriptions for gluten-free products. Given the announcement of a general election on 4th July 2024, we are now in the pre-election period. National guidance outlines that we should not make any new announcements of policy or strategy, which includes public consultations.

We will therefore postpone the public consultation on proposals for gluten free prescribing until after the general election. We will confirm the new launch date to you in the next week or so.

Many thanks for your assistance.

Kind regards

LLR ICB
